

## **Fragrances & Flavours**

Esperis have been compounding these materials for over 80 years, initially for personal care products but now for many other applications.

Most products are supplied from stock but a custom manufacturing service is available to meet any customer requirement.

They are particularly active in the formulation of natural products particularly for cosmetic and food use.

Some of the products currently produced are, for example:

### FRAGRANCES

For Luxury Perfumes:

- Master
- Aromatic
- Mariner
- Fresh for Men
- Charev88
- Floral
- Parisienne
